

Senior Early Dismissal Privilege
Morris Knolls High School 2024-2025

I hereby grant _____ (print student's name) permission to leave school at the beginning of his/her block 4/8 study hall (12:59 p.m). I assume responsibility for his/her actions and behavior after he/she leaves Morris Knolls High School.

- I understand that I must leave the MK campus at 12:59 p.m. and I may not remain on school grounds.
- I understand that my son/daughter must remain in good standing with the Morris Knolls Administration in order to be eligible for this Senior early dismissal privilege. I also understand that this privilege may be suspended and/or revoked at the discretion of the Morris Knolls Administration. For example, excessive tardiness may lead to this privilege being revoked.
- I understand that my son/daughter's Senior early dismissal privilege will not go into effect until this form is received, processed, and verified by the Morris Knolls Attendance Office. Students will be notified when the privilege will begin.
- I understand that it is my responsibility to be aware of all schedule changes (i.e. modified schedules, early dismissals, delayed openings, etc.) that may impact the timing of block 4/8. It is my responsibility to ensure that my child accounts for these schedule changes.

If your child fails to abide by any of these rules and regulations, this privilege will be suspended and/or revoked.
